OBJECTIVE

I love to be challenged, to think outside the box. I want to work for a company that makes meaningful connections with people. Where my co-workers are as passionate about the things they love, as I am about design.

SKILLS

UX & UI

Animation

Illustration

3D

WORK EXPERIENCE

BROOKLYN UNITED

Interactive & Motion Design Intern
(June - Aug 2014)

Worked with a design team on a wide variety of client work, from companies such as AT&T to local bars. I focused on branding, animation, and web design. But also got to direct a commercial spot, make an animation reel, and work on an IOS app.

RIT TECHNOLOGY SERVICES

Senior Lab Assistant
(Jan 2012 - Present)

I oversee the lab on a daily basis, maintaining the state of the computers and training new lab managers. I was hired because I fixed a computer in the lab that was deemed un-fixable.

DESIGNER SKETCHBOOKS

CEO & UX / UI Designer
(Jan 2014 - Present)

Founder and designer of a company that makes specialized sketchbooks for designers. Making personalized sketchbooks for the next generation of creatives. Personally developed and lead the team to work on the project.

FREELANCE DESIGNER

Iconography, Web Design, and Motion
(2011 - Present)

Designer for a wide range of products and services, and consulting for companies on current and future designs. Most of my freelance work is on my Dribbble, <http://dribbble.com/jpfairchild>

EXTRACURRICULAR

NEW MEDIA CLUB

Mentor
(2013 - 2015)

Mentor in the New Media Club, helping underclassmen understand and solve problems that they have in current classes.

RUN FOR THE WILD BRONX ZOO

Volunteer WCS Staff

Volunteer at The Wildlife Conservation Society Fundraising event to protect wildlife globally.
